Information

Denver Water purchases Chevrolet original equipment manufacturer (OEM) parts for approximately 99 Denver Chevrolet vehicles. Material costs are approximately \$31,000 per year.

An Invitation for Bid was sent to twelve Chevrolet/GM dealerships in the Denver Metropolitan area. Two responses were received, Medved Chevrolet Cadillac and EP Blazer, LLC dba John Elway Chevrolet on South Broadway. OEM parts pricing submitted by both bid proposers were a tie, cost plus 25%. Vendor selection was based on best value criteria which include ability to perform, past experience with Denver, vendor location and free General Motors technician training classes to Denver Water's fleet staff. EP Blazer, LLC dba John Elway Chevrolet on South Broadway was the selected vendor.

No Minority and Women Business Enterprise (MWBE) were solicited and none provided a proposal. Of the twelve dealerships that received a solicitation, two Small Business Enterprises (SBEs) provided a proposal.

Funds for the materials are included in the Operations and Maintenance 2014 Budget and ten year plans.

Recommendation:

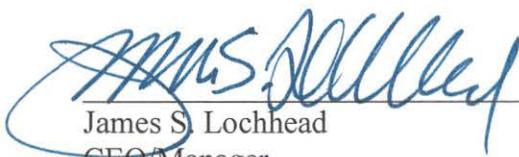

It is recommended that the Board authorize award of Contract 15436A to EP Blazer, LLC dba John Elway Chevrolet on South Broadway for Chevrolet original equipment manufacturer parts for the contract period July 1, 2014 through June 30, 2016 for a total contract amount not to exceed \$175,000.00.
