Information

In conjunction with Contract 13870A to be approved by the Board on May 9, 2012, Denver Water is in need of construction inspection services for the work due to the current number of construction projects being handled by staff.

Construction Management Task Order Agreement 13032D is for AECOM Technical Services, Inc. to provide construction inspection services during construction in the amount of \$115,615.50. AECOM Technical Services, Inc. was requested to submit for these services due to being the next Construction Management (CM) Consultant in rotation in the CM discipline category for this type of work, and previous experience with Denver Water in construction management roles. Costs and scope of these services are in accordance with those that AECOM Technical Services, Inc. has agreed to under its Construction Management On-Call Agreement.

The 2012 Capital Improvement Plan (MPC 2AA0812) includes sufficient funds for this project.

Recommendation:

It is recommended that the Board authorize the Construction Management Task Order Agreement 13032D to AECOM Technical Services, Inc. for Construction Inspection Services for the Moffat Tunnel Collection System – Siphon No. 1; Construction Inspection Services in the amount of \$115,615.50.
