

DENVER BOARD OF WATER COMMISSIONERS

Meeting Date: May 9, 2012

Board Item: V-A-12

**First Amendment to Agreement with AECOM Technical Services, Inc.
for the Platte Canyon Dam Spillway Modification
Construction Phase Engineering Services
Agreement 14058A**

Action by Consent Action Information

On July 17, 2008, Denver Water entered into Agreement 11109D with AECOM Technical Services, Inc. (AECOM) formerly Boyle Engineering Corporation for the Platte Canyon Dam Spillway Modification, Phase 1. In April 2010, AECOM completed design of the Platte Canyon Dam Spillway Modification Project, which included a new labyrinth weir spillway, spillway chute, and stilling basin to accommodate the Colorado State Engineer's Office (SEO) approved inflow design flood (IDF). Approval of the design by the SEO was received in a letter dated April 29, 2010. This Amendment is in conjunction with Contract 12915A to be approved by the Board on May 9, 2012.

The work defined for AECOM is to provide Construction Phase Engineering Services, including mounting field observations and inspections; construction document review and reporting. The work is will be performed under this First Amendment to Agreement 14058A. This scope of work conforms within the Colorado State Engineers Rule 14 requirement for *Safety Inspections Performed by the Owner's Engineer*. The total cost for this Amendment to the Agreement is \$115,235.00.

This project was expedited from the 2013 Capital Plan per Board approval in January 2012. A portion of these expenditures will carryover into 2013.

Recommendation

It is recommended the Board authorize the First Amendment to Agreement 14058A to AECOM Technical Services, Inc. for the Platte Canyon Dam Spillway Modification Construction Phase Engineering Services in the amount of \$115,235.00.
