Information

In October, 2009, Steve Decker of the Doyle Group (an SBE) was engaged through a competitive recruitment process to fill a core SharePoint Administrator position in the Information Technology Division. It is anticipated that this core position will be filled by a regular employee in 2013 when a budget approved TO slot can be made available. In the meantime, it is necessary to extend these services.

Services provided under this contract will be charged at the existing contract rate of \$85.00/hour. Funding for this contract extension is fully budgeted in the IT Professional Services budget (MPC 4JN0100).

Recommendation:

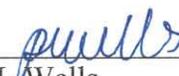

It is recommended the Board approve this contract extension with The Doyle Group, for the SharePoint Administration services of Steve Decker, through the end of 2013, for an additional amount not to exceed \$272,000. This contract extension will bring the total contract amount with the Doyle Group to \$720,800.
