

## Denver Board of Water Commissioners

Title:

**Contract Extension with Solution Partners, Inc. for SharePoint Administration and software development**

Meeting Date: 8/12/2009

Contract/Proposal 12133A

 Action by Consent Action Information

Kris Anderson of Solution Partners, Inc. has been engaged as a SharePoint Administrator and software developer, augmenting staffing in the Tier III New Solutions section of the Information Technology division since January of 2009. Most recently, Kris has completed the successful transition of all Denver Water SharePoint sites from the SharePoint 2003 platform to the new MOSS 2007 platform. Kris continues to serve as our enterprise SharePoint administrator, facilitating the establishment of new SharePoint sites and capabilities for all Denver Water divisions.

In addition to SharePoint administration duties, over the next twelve months, Kris will also provide software development services related to a number of internally developed applications, including the CIS related Customer Correspondence Library and the Internet business portal.

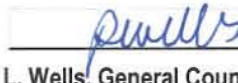

Services provided under this contract extension will be charged at the existing rate of \$88/hour. Funding for this contract extension is budgeted in the Information Technology budget (4JN0100).

**RECOMMENDATION:**

It is recommended the Board approve this contract extension with Solution Partners, Inc., for the services of Kris Anderson, for an additional twelve months, at a cost of \$168,960, resulting in a total contract value of \$264,000.
