

Denver Board of Water Commissioners

Title:

Contract Extension with Solution Partners, Inc. for IT Infrastructure Project Manager

Meeting Date: 8/12/2009

Contract/Proposal 11199A

 Action by Consent Action Information

Beverly Scott of Solution Partners, Inc. has been engaged as an Infrastructure Project Manager, augmenting staffing in the Tier IV Support section of the Information Technology division since August of 2007. Beverly has been involved in managing many Infrastructure projects, including:

- Implementation of MOSS, SharePoint 2007, Exchange2007, and Office 2007
- Deployment of new Customer Care Call Center features and functions
- Deployment of VOIP (voice over internet protocol) at WAN (wide area network) sites
- Enhancement of the SCADA (Process Control) network to an IP infrastructure
- Business Continuity (Disaster Recovery) planning and implementation
- EOC (emergency operations center) planning and implementation
- Upgrade to Oracle 10g database.
- Deployment of GPO's (group policy organization) for workstations and laptops
- New Windows desktop & sever O/S testing and deployment
- Build out of Development and Test network Domains
- NAC (network access controls) deployment

Over the next seven months, Bev will continue in the role of Infrastructure Project Manager. Services provided under this contract extension will be charged at the existing rate of \$90.00/hour.

RECOMMENDATION:

It is recommended the Board approve this contract extension with Solution Partners, Inc. for the services of Beverly Scott for an additional seven months at a cost of \$90,000, resulting in a total contract value of \$450,000.

Chris Dermody, Director Information Technology

Patricia L. Wells, General Counsel
