Information

Delinda Waldren of The Doyle Group (an SBE firm) has been filling a core Infrastructure Project Manager position in the Information Technology Division since May of 2011. It is anticipated that this core position will be filled by a regular employee in 2013 when a budget approved TO slot can be made available. In the meantime, it is necessary to extend this contract.

Services provided under this contract extension will be charged at the rate of \$85.00/hour. Funding for this contract extension is fully budgeted in the IT Professional Services budget (MPC 4JN0100).

Recommendation:

It is recommended the Board approve this contract extension with The Doyle Group for the infrastructure project management services of Delinda Waldren, thru the end of 2013, for an additional amount not to exceed \$297,500. This extension will bring the contract amount with The Doyle Group to a total of \$561,500.
